

How Can I Help my Team?

“These are challenging times. Whatever you’re feeling is OK.”

Acknowledge and Listen

- ✓ Acknowledge that something happened.
- ✓ Review the facts without going into details.
- ✓ Listen and provide an opportunity for discussion.

“Here are some ways that can help keep us safe right now...”

Inform and Remind

- ✓ Help your team check-in with themselves about their mental health.
- ✓ Emphasize the importance of taking care of themselves.
- ✓ Remind them about using healthy coping strategies.
- ✓ Share available resources.

“How else can I support you?”

Respond and Follow-up

- ✓ Observe your team and follow-up with members in the upcoming hours, days, and weeks.
- ✓ Walk the talk by modeling healthy coping strategies and seeking help if needed.

When to use it?

- ✓ Following exposure to any potential stressor or workplace incident.
- ✓ Any time the stress level is high in the team *after* any immediate threat has passed.
